## 2016 Mechanics Test Review

1

### #1 (41% missed)

1. After a change of possession, it is unnecessary to put the ball at the dead ball spot. The covering official should only note the starting yard line to the Wing or Umpire.

- A. True
- B. False

2

### #1

1. After a change of possession, it is unnecessary to put the ball at the dead ball spot. The covering official should only note the starting yard line to the Wing or Umpire.

- A. True
- B. False

Chapter 10 – Ball Handling – Kicks

3

### #2 (17% missed)

2. The Referee, on non scoring scrimmage kick plays (punts), should be located about five yards outside the kicker and roughly the same distance behind him on which side?

- A. Kicking leg side
- B. Plant leg side
- C. Either side

4

**#2**

2. The Referee, on non scoring scrimmage kick plays (punts), should be located about five yards outside the kicker and roughly the same distance behind him on which side?

- A. Kicking leg side
- B. Plant leg side
- C. Either side**

Chapter 30 – Positioning and Coverage – Scrimmage Kick Plays  
[Non Scoring] – Scrimmage Kick Positioning

5

**#3 (16% missed)**

3. If the coach is ejected, \_\_\_\_\_.

- A. notify the school administrator at the game site
- B. notify the school athletic director the next school day
- C. report the ejection on the game report**

6

**#3**

3. If the coach is ejected, \_\_\_\_\_.

- A. notify the school administrator at the game site
- B. notify the school athletic director the next school day
- C. report the ejection on the game report**

Chapter 25 – Postgame Duties - Disqualifications

7

**#4 (17% missed)**

4. Prior to a free kick, when the kicker indicates his team is ready, the Back Judge will then move to his position on the sideline, pause and determine the kicking formation is legal before raising an arm as a ready signal for the Referee.

- A. True
- B. False**

8

**#4**

4. Prior to a free kick, when the kicker indicates his team is ready, the Back Judge will then move to his position on the sideline, pause and determine the kicking formation is legal before raising an arm as a ready signal for the Referee.

- A. True
- B. False

Chapter 29 – Positioning and Coverage – Free Kick Plays – Positioning – Back Judge

9

**#5 (12% missed)**

5. The Umpire position at the start of non-scoring scrimmage kick play (punt) is \_\_\_\_\_ off the line of scrimmage, favoring the sideline opposite the Referee.

- A. 4 to 7 yards
- B. 6 to 9 yards
- C. at least 10 yards

10

**#5**

5. The Umpire position at the start of non-scoring scrimmage kick play (punt) is \_\_\_\_\_ off the line of scrimmage, favoring the sideline opposite the Referee.

- A. 4 to 7 yards
- B. 6 to 9 yards
- C. at least 10 yards**

Chapter 30 – Positioning and Coverage – Scrimmage Kick Plays (Non-Scoring) – Umpire

11

**#6 (20% missed)**

6. If a spot is close to a first down, the official responsible for forward progress must come all the way to the dead ball spot. If it is close to a first down, the Umpire will hand the ball to the nearest official.

- A. True
- B. False

12

**#6**

6. If a spot is close to a first down, the official responsible for forward progress must come all the way to the dead ball spot. If it is close to a first down, the Umpire will hand the ball to the nearest official.

- A. True
- B. False

Chapter 18 – Forward Progress – Procedure

13

**#7 (12% missed)**

7. Once a timeout has been granted, after signaling to stop the clock while facing the press box, the Referee indicates the team being charged the timeout by pointing in that team's direction.

- A. True
- B. False

14

**#7**

7. Once a timeout has been granted, after signaling to stop the clock while facing the press box, the Referee indicates the team being charged the timeout by pointing in that team's direction.

- A. True
- B. False

Chapter 16 – Timeouts

15

**#8 (12% missed)**

8. The Back Judge's starting position is \_\_\_\_\_ when the ball is snapped between Team B's 10 and 15 yard lines.

- A. on the goal line
- B. midway between the goal and end lines
- C. on the end line

16

**#8**

8. The Back Judge's starting position is \_\_\_\_\_ when the ball is snapped between Team B's 10 and 15 yard lines.

- A. on the goal line
- B. midway between the goal and end lines**
- C. on the end line

Chapter 32 – Positioning and Coverage – Scrimmage Plays – Positioning – Back Judge

17

**#9 (14% missed)**

9. On a running play, when the play ends on or near the sideline, the Referee becomes the primary dead-ball official for the offense and the Back Judge becomes the primary dead-ball official for the defense.

- A. True
- B. False

18

**#9**

9. On a running play, when the play ends on or near the sideline, the Referee becomes the primary dead-ball official for the offense and the Back Judge becomes the primary dead-ball official for the defense.

- A. True**
- B. False

Chapter 32 – Positioning and Coverage – Scrimmage Plays – Coverage – Run Plays – Referee & Back Judge

19

**#10 (15% missed)**

10. At the end of the first and third quarters, the chains need to be moved to the opposite end of the field. \_\_\_\_\_ record the down, distance and clip position.

- A. The Referee, Umpire and Linesman
- B. The Referee and Umpire
- C. All officials

20

**#10**

10. At the end of the first and third quarters, the chains need to be moved to the opposite end of the field. \_\_\_\_\_ record the down, distance and clip position.

- A. The Referee, Umpire and Linesman
- B. The Referee and Umpire
- C. All officials**

Chapter 6 – Chain Crew – End of Quarter

21

**#11 (9% missed)**

11. On a free kick the Line Judge moves with intent about 10-15 yards downfield watching the blocks of the \_\_\_\_\_ players nearest his sideline.

- A. two
- B. three
- C. four
- D. five

22

**#11**

11. On a free kick the Line Judge moves with intent about 10-15 yards downfield watching the blocks of the \_\_\_\_\_ players nearest his sideline.

- A. two
- B. three
- C. four**
- D. five

Chapter 29 – Positioning and Coverage – Free Kick Plays – Free Kick Coverage Zones – Line Judge

23

**#12 (16% missed)**

12. When in question, regarding hits away from the ball near the end of the play, consider it a \_\_\_\_\_.

- A. dead-ball foul
- B. live-ball foul

24

**#12**

12. When in question, regarding hits away from the ball near the end of the play, consider it a \_\_\_\_\_.

- A. dead-ball foul
- B. live-ball foul

Chapter 26 – CFOA Philosophies of Officiating – Personal Fouls

25

**#13 (13% missed)**

13. If a team attempts to conserve or consume time illegally, the Referee should consider using his discretion to start the clock on \_\_\_\_\_ when the game clock is under five minutes of each half.

- A. either the snap or ready
- B. the snap
- C. the ready

26

**#13**

13. If a team attempts to conserve or consume time illegally, the Referee should consider using his discretion to start the clock on \_\_\_\_\_ when the game clock is under five minutes of each half.

- A. either the snap or ready
- B. the snap
- C. the ready

Chapter 8 – Game Timing – Clock Adjustment

27

**#14 (16% missed)**

14. The CFOA Mechanics Manual indicates that the \_\_\_\_\_ get the second half options (kick, receive, choice of goal) directly from the head coach.

- A. Referee alone
- B. Referee and Wing from the team's sideline
- C. Referee and Umpire
- D. Back Judge

28

**#14**

14. The CFOA Mechanics Manual indicates that the \_\_\_\_\_ get the second half options (kick, receive, choice of goal) directly from the head coach.

- A. Referee alone
- B. Referee and Wing from the team's sideline**
- C. Referee and Umpire
- D. Back Judge

Chapter 23 – Intermissions – Halftime

29

**#15 (9% missed)**

15. As part of the uniform, each official must have two penalty flags, one in the front belt and the other in the back pocket that is not visible.

- A. True
- B. False

30

**#15**

15. As part of the uniform, each official must have two penalty flags, one in the front belt and the other in the back pocket that is not visible.

- A. True**
- B. False

Chapter 3 – Uniform

31

**#16 (12% missed)**

16. When only one flag is thrown for obvious false starts or encroachments, signaling the foul rather than reporting the foul from the wing to the Referee can be utilized.

- A. Approved Mechanic
- B. Optional Mechanic
- C. No Such Mechanic

32

**#16**

16. When only one flag is thrown for obvious false starts or encroachments, signaling the foul rather than reporting the foul from the wing to the Referee can be utilized.

- A. Approved Mechanic**
- B. Optional Mechanic
- C. No Such Mechanic

Chapter 4 – Pregame Meeting – Cover Mechanics Manual items identified as “Optional”

33

**#17 (4% missed)**

17. Near the end of either half for field goals, when time on the clock is critical, do not stop play to allow a wing to get in position. That means the Back Judge may have to rule on a field goal alone if the wing stays on the line of scrimmage because he has determined he will not be able to get in position in time.

- A. True
- B. False

34

**#17**

17. Near the end of either half for field goals, when time on the clock is critical, do not stop play to allow a wing to get in position. That means the Back Judge may have to rule on a field goal alone if the wing stays on the line of scrimmage because he has determined he will not be able to get in position in time.

- A. True**
- B. False

Chapter 8 – Game Timing – End of Half

35

**#18 (4% missed)**

18. The halftime intermission will start on the Back Judge’s signal which is given \_\_\_\_\_.

- A. before the players leave the field
- B. after the players leave the field

36

**#18**

18. The halftime intermission will start on the Back Judge's signal which is given \_\_\_\_\_.

- A. before the players leave the field
- B. after the players leave the field**

Chapter 8 – Game Timing – End of Half

37

**#19 (8% missed)**

19. Fouls that do not require consultation with the offended team before the penalty is announced include:

- A. Where the choice is obvious for a live ball foul
- B. Dead-ball foul
- C. Double foul
- D. All of the above

38

**#19**

19. Fouls that do not require consultation with the offended team before the penalty is announced include:

- A. Where the choice is obvious for a live ball foul
- B. Dead-ball foul
- C. Double foul
- D. All of the above**

Chapter 13 – Flags and Penalties – Giving the Explanation

39

**#20 (33% missed)**

20. When the occasion is needed to consult with the offended team for penalty options, the Referee will communicate with \_\_\_\_\_.

- A. the captain
- B. the head coach
- C. either the captain or the head coach

40

**#20**

20. When the occasion is needed to consult with the offended team for penalty options, the Referee will communicate with \_\_\_\_\_.

- A. the captain
- B. the head coach**
- C. either the captain or the head coach

Chapter 13 – Flags and Penalties – Giving the Explanation

41

**#21 (2% missed)**

21. On scoring plays when the sideline may be involved and the Back Judge is responsible for the goal line, the touchdown signal should be delayed until the wing official covering the sideline verifies the runner was not out of bounds prior to crossing the goal line (Crew Signal “T”).

- A. True
- B. False

42

**#21**

21. On scoring plays when the sideline may be involved and the Back Judge is responsible for the goal line, the touchdown signal should be delayed until the wing official covering the sideline verifies the runner was not out of bounds prior to crossing the goal line (Crew Signal “T”).

- A. True**
- B. False

Chapter 14 – Signaling – Back Judge

43

**#22 (4% missed)**

22. During the dead-ball period, the head coach should be allowed to take no more than \_\_\_\_\_ onto the field in between plays to communicate with a player.

- A. two steps
- B. five steps
- C. ten steps

44

**#22**

22. During the dead-ball period, the head coach should be allowed to take no more than \_\_\_\_\_ onto the field in between plays to communicate with a player.

- A. two steps
- B. five steps
- C. ten steps

Chapter 17 – Sideline Management

45

**#23 (16% missed)**

23. If a scrimmage kick goes out of bounds in flight, more than 15 yards from the line of scrimmage, the Referee will raise his hand to line up the kick for the \_\_\_\_\_.

- A. Back Judge
- B. wing

46

**#23**

23. If a scrimmage kick goes out of bounds in flight, more than 15 yards from the line of scrimmage, the Referee will raise his hand to line up the kick for the \_\_\_\_\_.

- A. Back Judge
- B. wing**

Chapter 30 – Positioning and Coverage – Scrimmage Kick Plays  
[Non-Scoring] – Back Judge

47

**#24 (9% missed)**

24. During a scoring kick play (not a Try), if the ball hits the ground in the field of play and subsequently breaks the plane of the goal line, only the Back Judge will step forward and give the touchback signal. Both officials must continue to dead-ball officiate behind the ball.

- A. True
- B. False

48

**#24**

24. During a scoring kick play (not a Try), if the ball hits the ground in the field of play and subsequently breaks the plane of the goal line, only the Back Judge will step forward and give the touchback signal. Both officials must continue to dead-ball officiate behind the ball.

- A. True
- B. False

Chapter 31 – Positioning and Coverage – Scoring Kick Plays – Back Judge

49

**#25 (42% missed)**

25. When a snap is between the B-10 and B-5, if the pass into the end zone is completed not near a sideline or the end line:

- A. The Back Judge shall signal the touchdown.
- B. The nearest wing official shall signal the touchdown.
- C. The Back Judge and the nearest wing official shall both signal the touchdown.

50

**#25**

25. When a snap is between the B-10 and B-5, if the pass into the end zone is completed not near a sideline or the end line:

- A. The Back Judge shall signal the touchdown.
- B. The nearest wing official shall signal the touchdown.
- C. The Back Judge and the nearest wing official shall both signal the touchdown.**

Chapter 32 – Positioning and Coverage – Scrimmage Plays – Goal Line Plays – Offense Going In – Snap is between the B10 and B-5 – Linesman, Line Judge and Back Judge

51

**#26 (18% missed)**

26. When a snap is between the B-10 and B-5, if the pass into the end zone is completed near a sideline, but not near the end line: The Back Judge will defer to the nearest wing official who will signal the touchdown.

- A. True
- B. False

52

**#26**

26. When a snap is between the B-10 and B-5, if the pass into the end zone is completed near a sideline, but not near the end line: The Back Judge will defer to the nearest wing official who will signal the touchdown.

- A. True
- B. False

Chapter 32 – Positioning and Coverage – Scrimmage Plays – Goal Line Plays – Offense Going In – Snap is between the B10 and B-5 – Linesman, Line Judge and Back Judge

53

**#27 (8% missed)**

27. The spot of the interception must be marked with a bean bag in the event a penalty occurs and that spot is needed to determine where the run ended.

- A. True
- B. False

54

**#27**

27. The spot of the interception must be marked with a bean bag in the event a penalty occurs and that spot is needed to determine where the run ended.

- A. True
- B. False**

Chapter 12 – Use of the Bean Bag – Interceptions

55

**#28 (7% missed)**

28. When the ball is dead outside the numbers, the Umpire should move into position, including moving outside the hash, to receive the relayed ball.

- A. True
- B. False

56

**#28**

28. When the ball is dead outside the numbers, the Umpire should move into position, including moving outside the hash, to receive the relayed ball.

- A. True
- B. False

Chapter 10 – Ball Handling – Outside the Numbers

57

**#29 (2% missed)**

29. When the Back Judge reaches the expiration of the play clock, he should look at the ball before throwing the flag. If the snap is in progress, do not call delay of game.

- A. True
- B. False

58

**#29**

29. When the Back Judge reaches the expiration of the play clock, he should look at the ball before throwing the flag. If the snap is in progress, do not call delay of game.

- A. True
- B. False

Chapter 8 – Game Timing – Game Procedures

59

**#30 (40% missed)**

30. During a field goal or try, if there is a run or pass to the vacated wing sideline, the Umpire has coverage of the goal line and pylon on the open side.

- A. True
- B. False

60

**#30**

30. During a field goal or try, if there is a run or pass to the vacated wing sideline, the Umpire has coverage of the goal line and pylon on the open side.

A. True

**B. False**

Chapter 31 – Positioning and Coverage – Scoring Kick Plays – Field Goals and Tries – Positioning – Umpire

61
