

Greeley Evens School District Middle School Football Rule Modifications

6th grade = two 20-minute halves with running clock.

7th grade= 7-minute quarters with clock stopped

8th Grade = 8-minute quarters with a stopped clock.

21-point mercy rule: if a team gets up by 21 points the clock will run except for timeouts or injuries. The clock continues to run even if the score falls back within 21 points.

Extra points: All scores will immediately count as 7 points. Teams do not need to attempt an extra point. If a team does attempt a kick and misses, the score remains 7. If a team goes for two and is successful it becomes 8 and if unsuccessful it becomes 6.
